Liberation and Reform

While you might have to reach for an atlas to determine that Isaiah is speaking about Galilee, today's first reading (part of which was read at Christmas) is prophetic of Jesus' future ministry in that province. The light that brings salvation and rejoicing is, ultimately, Christ. Liberation is the theme: liberation from both ignorance ("darkness") and sin (the "yoke").

As Isaiah identifies a place, so Paul describes an attitude: the attitude that develops, even among good people, of equating their own will with the common good. This always brings disension, and so it has done in Corinth. Paul will not allow this; we are all members of "Christ's party." The gospel is not to divide us.

Matthew quotes from Isaiah in today's Gospel, presenting Jesus as the fulfillment of Isaiah's prophecies. The theme is "Repent, for the kingdom of heaven is at hand" (Matthew 4:17). To spread this message, Jesus begins to select disciples, four of whom we meet today: Peter, Andrew, James and John.
Wait for the LORD with courage; be stouthearted, and wait for the LORD. — Psalm 27:14

**Dear Brothers and Sisters in Christ,**

For over 50 years, the Collection for the Church in Latin America has been a sign of solidarity of the Church in the United States with the Church in Latin America and the Caribbean. For people living in the Latin American region, barriers to practicing the faith include lack of resources, shortages of vocations, and poor infrastructures that make relatively simple things, like participating in weekly Mass, very difficult.

The Collection for the Church in Latin America enables our fellow Catholics in Latin America and the Caribbean who are rich in faith, but often lack resources, to participate more fully as disciples. Through this program, financial assistance helps ensure the availability of adequate catechesis, marriage and family life programs, as well as religious and seminarian formation. This collection has helped fund family evangelization teams in numerous parishes of this region as well as assisting with earthquake relief and construction projects resulting from disasters.

The Collection for the Church in Latin America will take place in the Diocese of Venice the weekend of January 21 and 22, 2017. Please be generous in this collection, and share your blessings with families in Latin America and the Caribbean. Your support truly makes a difference! May God bless you and your family for your kindness to the Church in Latin America. Thank you!!

I take this opportunity to extend the assurances of my prayers for you and your family, and in-turn, ask for your prayers. Have a Blessed and Healthy New Year!!

Sincerely yours in Christ,
+ Frank J. Dewane
Bishop of the Diocese of Venice in Florida

Building Faith and Friendship!
Statement of the Catholic Bishops of Florida on the 44th Anniversary of Roe v. Wade
January 22, 2017

“I wish to restate as firmly as I can that abortion is a grave sin, since it puts an end to an innocent life. In the same way, however, I can and must state that there is no sin that God’s mercy cannot reach and wipe away when it finds a repentant heart seeking to be reconciled with the Father.”
- Misericordia et Misera, Apostolic Letter of Pope Francis at the Conclusion of the Extraordinary Jubilee of Mercy, no. 12

Today marks yet another heartbreaking anniversary of the legalization of abortion in the United States. Today we mourn the subsequent deaths of over 58 million children in their mothers’ wombs. As a new administration takes office, we are hopeful that our president will bring to fruition his campaign promise to nominate pro-life Supreme Court justices. We are further encouraged by his commitments to work with Congress to ensure conscience protections for health care workers, make Hyde Amendment restrictions on taxpayer funding of abortion permanent law, and defund abortion providers.

Regardless, we will remain steadfast in our commitment to promote the sanctity of life and dignity of the human person in state policy. In 2016, for example, we supported the passage of legislation that requires abortion providers to have an agreement with a local hospital, as is required of all other invasive office surgery providers.

We look forward to additional opportunities to strengthen protection of unborn babies, vulnerable women, and families. This includes addressing Florida’s privacy clause, which has been recognized by the courts as providing a greater right to abortion than the U.S. Constitution.

We need to address our state constitution’s privacy clause because, even if Roe v. Wade were overturned, it could continue to preserve the right to abortion in the state of Florida. Concerns with this clause became evident in 1989, when the Florida Supreme Court held unconstitutional a parental consent statute even though similar laws had been upheld by the United States Supreme Court. Just last year, the Florida law requiring a 24-hour reflection period prior to abortion was challenged under this privacy clause irrespective of a 1992 U.S. Supreme Court ruling that upheld a similar requirement.

Beyond state policy, we entrust all people of good will to join us in the fight to eliminate recourse to abortion by eradicating poverty, by strengthening the family, and by promoting adoption and pregnancy support services.

We recognize the emotional, psychological, and spiritual pain that abortion has brought to mothers, fathers, and family members. We continue to invite those who have been involved in abortion to receive God’s mercy and forgiveness through the sacrament of reconciliation and other means such as Project Rachel Ministry, which is available across Florida (www.hopeafterabortion.com).

As Florida maintains one of the highest rates of abortion in the nation, it is no surprise that our state also reports among the highest numbers of death sentences, human trafficking cases, and homeless persons. We are a Church that is unequivocally pro-life. Let us foster a culture of life by consistently witnessing to the sacredness of all human life from conception to natural death.
