HE EMBRACED THEM AND BLESSED THEM

Today Jesus stresses how children embody the reign of God. They are trusting and loving and have hearts that are open to love. They are joyful when they are made aware of God's love for them, and are eager to return that love. This is the model Jesus holds out to us if we want to welcome the reign of God. We need to have open, loving hearts. We must drop our defenses, however we came by them, and welcome Christ's love for us with joy. This is impossible for us on our own. Only the grace of God will enable us to do this, but that grace is freely and generously given. We have only to accept it.

Dear Brothers and Sisters in Christ,

For many years, the Catholic Church has been at the forefront in defending the sanctity of life from conception to natural death. It is our responsibility to do all we can to promote the belief that every life, in all its stages, regardless of age or condition, is truly worth living.

This weekend, Parishes throughout the Diocese of Venice will conduct a special second collection to augment the life-affirming work of the Diocesan Respect Life Office.

These funds help facilitate our witness as a faith community in southwest Florida.

Please continue to pray for a greater appreciation of the sacredness of all human life and be as generous as you can in this annual collection.

May God bless you with a deep appreciation for the gift of life and the courage to defend the sanctity of life. Let us remain united in prayer and action.

Sincerely yours in Christ,

+ Frank J. Dewane
Bishop of the Diocese of Venice in Florida
