This Weekend
2nd Collection:
Retirement Fund
For Religious

Dear Brothers and Sisters in Christ:

Thousands of now retired sisters, brothers,
and religious order priests spent years
working in Catholic schools, hospitals, and
agencies—often for little pay. Their sacrifices leave
their religious communities without adequate savings
for retirement and eldercare. Rising Health Care costs
and decreased income compounds funding shortages
as more religious reach retirement age and leave comp-
pensated ministry. Income further declines while the
care and struggle steadily increases.

The National Religious Retirement Office (NRRO),
provides support through the annual appeal for the
Retirement Fund for Religious by providing financial
assistance to religious communities. Grants are
distributed to religious institutes for retirement care
and planning and educational assistance. Also, NRRO
trains and coordinates a network of volunteers and
experts to provide workshops for hands on support to
religious communities to care for their retirement
needs. Parishes in the Diocese of Venice this weekend
will conduct the annual collection for the

Retirement Fund for Religious

Your support provides direct financial assistance
towards medications, nursing care and much more.
Thank you for your generosity towards these men
and women who have given their lives to serve the
Church and the Faithful. I take this opportunity to
extend to each of you the assurances of my continued
consideration, as well as my prayers for you and your
family. Have a Blessed Advent Season.

Sincerely yours in Christ,
+ Frank J. Dewane, Bishop of the Diocese of Venice

New Higher Rates Make Charitable Gift Annuities a Great Way to Increase Your Income and Support Church of the Resurrection of Our Lord

A Charitable Gift Annuity (CGA) with the Catholic Community Foundation of Southwest Florida is a great way for donors to support the programs and ministries of the Church of the Resurrection of Our Lord, while at the same time, generating fixed life-long income for themselves or a loved one.

A CGA is contract between a donor and the Foundation whereby the donor receives an immediate tax deduction along with fixed payments for the rest of their life in exchange for a gift of cash or securities. The money remaining in the account at the end of their life is given to the Catholic entity they choose as their beneficiary, such as Church of the Resurrection of Our Lord.

The Foundation utilizes annuity rates provided by the American Council on Gift Annuities (ACGA), which are based on age, life expectancy, and assumed investment returns. The ACGA recommended rates just increased this summer and are intended to produce a final gift to the Parish of approximately 50% of the original funding amount.

The minimum amount required to establish a CGA with the Foundation is $10,000, which donors can fund with either cash or securities. Though, a donor can receive an added benefit if they fund their CGA with appreciated securities because they will be able to minimize the capital gains tax liability by spreading it over their life expectancy.

CGAs can be established in a number of ways. For instance, donors can create either one-life or two-life annuities, or they can even establish a gift annuity that makes payments to another person such as a child, parent or friend. Regardless of how they are set up, gift annuities can be appealing to a wide range of individuals who are interested in generating fixed income. The illustration above shows how both a 75-year-old donor and the Parish would benefit from a $100,000 CGA.
