Dear Brothers and Sisters in Christ,

As young men answer "yes" to the Holy Spirit and discern a call to the priesthood, the Diocese needs your assistance regarding their priestly formation. Your support of the Annual Seminary Collection continues to be crucial as many challenges are faced to ensure a proper environment and education are provided to the future priests of the Diocese of Venice.

The formation of our seminarians includes the costs of tuition, housing, education, insurance, summer assignments and pastoral training. Your spiritual, along with your financial support, is of great assistance to these young men in their discernment. By your generosity you walk the journey of faith with many future priests and ensure that the sacraments will continue to nourish the faithful for generations to come. Your support of this collection will assist those currently in seminary formation, especially at St. Vincent de Paul Regional Seminary in Boynton Beach and St. John Vianney College Seminary in Miami.

Parishes in the Diocese of Venice will conduct this Annual Seminary Collection this weekend.

Thank you for all that you have done and continue to do to support priestly formation in the Diocese of Venice. Your generosity and continued prayers for our priests, seminarians, and those still discerning their call to the priesthood is greatly appreciated. I take this opportunity to extend to each of you the assurances of my prayers for the New Year. Have a Blessed Christmas Season and Healthy New Year!

Gratefully yours in Christ,
+ Frank J. Dewane
Bishop, Diocese of Venice

PARKING ALERT!
For the safety and convenience of ALL parishioners,
please pull your car in front first.
DO NOT back in, or park sideways.
This will help utilize the entire lot. Thank you!
PRAYER INTENTION FOR JANUARY

That young people, especially in Latin America, follow the example of Mary and respond to the call of the Lord to communicate the joy of the Gospel to the world.

Named a Best Book of the Year by The Washington Post, The New York Times Book Review, NPR, and Chicago Tribune. Medicine has triumphed in modern times, transforming the dangers of childbirth, injury, and disease from harrowing to manageable. But when it comes to the inescapable realities of aging and death, what medicine can do often runs counter to what it should.

Being Mortal shows how the ultimate goal is not a good death, but a good life—all the way to the very end.
